School Cash Online is FRPPLWWHG WR SUR

Depending on your district, not every school may be starting School Cash Online at same time. Please confirm with your school if the school is participating in offering this to parents.

Each school creates their own items for purchase and assigns them to the students. Once assigned, they will appear online under the student. Please contact the school if you do not see the item you are looking for.

If the student is moving to another school within the district, and School Cash Online is available for that school, then the items for the student will automatically be updated to reflect the new school.

If the student is moving outside the district or to a school that does not have School Cash Online, the student will be de-activated in School Cash Online.

Please contact your school office if you would like to request refunds for any items purchased. MyWallet balances can be refunded by sending a request to myWallet@kevgroup.com
